As a celebration of music in our downtown community, Minnesota Music Hall of Famer Lorie Line will be performing from 4:30-5:30 pm outside Lakes & Legends.

Line began playing piano at age 5. She has recorded 49 CDs and published 46 books of music during her career, selling 6 million albums in the process. She currently has 800,000 active listeners on her Pandora station, and her music “spins” almost two million times per week.

About Pianos on Parade:

- Now wrapping up its second year in downtown Minneapolis, Pianos on Parade placed 25 pianos painted by local artists throughout our city’s core. The pianos are open daily in June for impromptu concerts as well as programming with local musical talent each Tuesday.
- Pianos on Parade welcomes all ages and abilities to share their gifts of music with the downtown community throughout June. Pianos are available daily June 1-June 30 during on-site designated playing hours.
- Each piano is painted by a local artist with the theme “summer in downtown Minneapolis.” Pianos include iconic locations, neighborhoods, arts, culture, sports, entertainment and more.
