

Steve Cramer, president & ceo, mpls downtown council

“The next Hennepin County Attorney will play a critical role insuring a secure and just community during their term of office. It’s important for voters to understand the experience candidates would bring to the job, as well as their priorities for addressing concerns about public safety downtown and in communities throughout Hennepin County. Today’s forum provided an opportunity to hear from each of the candidates in advance of the August 9th Primary election, and learn more about their approach to the very important position they are seeking.”
